GRUPO HILLMARK

Real Estate Developer

ABOUT US

We are a prominent Mexican company founded in the heart of the city of León, Guanajuato, in 2021. At Grupo Hillmark, we take pride in being a leading company in the construction and real estate development sector, providing innovative and high-quality solutions in the market.

With every project we undertake, our goal is to surpass expectations and create truly exceptional homes and living spaces. We aim to be a company that transcends time and leaves a positive mark on the development and growth of our country.

Commitment

Our passion for real estate development is the driving force behind our daily actions. We are committed to creating architectural spaces that reflect our vision of harmony between nature, community well-being, and economic progress. Every project we undertake is an opportunity to enrich people's lives and contribute to the growth and development of the cities where we work.

VALUES

Excellence

To offer the best to our customers, to improve and surpass ourselves as a company.

Honesty

To provide the best services based on the offer.

Punctuality

To achieve deliveries within the established deadlines.

Belonging

To show closeness and proximity to our members and customers.

Responsability

We recognize the importance of sustainability and social responsibility.

Respect

To achieve optimal coexistence of the people surrounding our company.

Empathy

To achieve adaptation to the changes that happen around us.

Learning

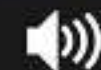

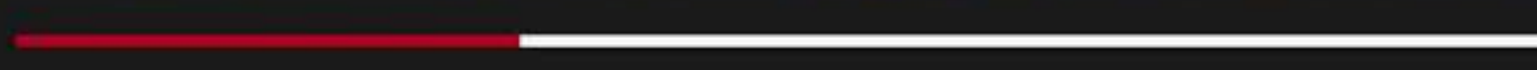

Constantly learning and improving to offer better service to our clients.

At Grupo Hillmark, we also recognize the importance of sustainability and social responsibility. We aim to implement environmentally respectful practices in each of our projects, actively contributing to the preservation and care of the environment. Likewise, we strive to engage in social projects that benefit the communities in which we operate.

SERVICES

Developed

← Comprehensive service →

Real Estate

Developed

We develop comprehensive real estate projects, transforming ideas into tangible realities, managing each phase of development with professionalism and attention to detail.

Developed

Integral Business Plan Development.

Preparation of a comprehensive strategic plan that includes an in-depth market analysis, an accurate evaluation of financial feasibility, a robust marketing plan, and a rigorous and well-planned execution strategy.

Professional Management and Paperwork Services.

We offer complete advisory and management services for all necessary paperwork, permits, and licenses required for project execution. We ensure compliance with all local regulations and standards, guaranteeing a smooth and hassle-free process.

Developed

Detailed Evaluation of Properties and Land.

We conduct a thorough analysis of properties and land to assess their feasibility and potential. This includes market studies, financial analysis, due diligence, and technical evaluation. We provide a clear and detailed insight into the potential and viability of each real estate investment.

Commercial Management and Sales Planning.

This includes strategy development and planning, the design and execution of marketing campaigns, efficient sales management, detailed market and competition analysis, and the development of strategic partnerships, enhancing the commercial success of projects.

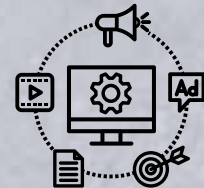

Real Estate

We develop effective strategies and market real estate, also offering a full range of services to meet diverse real estate needs.

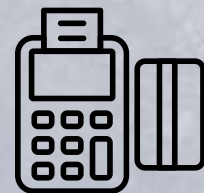

Real Estate

Commercial Strategy and Sales Team.

Our commercial management is proactive; we carry out specialized real estate marketing and implement innovative market strategies. This allows us to boost sales and achieve outstanding results in the real estate sector.

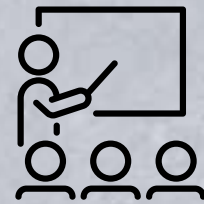

Location of Sales Points.

We select strategic points for marketing our projects, with the main goal of reaching our commercial targets.

Real Estate

Sales Team Training.

We provide training and development spaces for our commercial team, with the aim of enhancing their skills and productivity, helping them to achieve their sales goals.

ALLIANCES

Grupo HILLMARK was created and founded with the support and experience of its partners; their track record is well-established and recognized. Their accumulated knowledge and proven skills over the years allow us to address current challenges with a strong perspective and an approach backed by prior experience. Our alliances enable a unique combination that provides innovative and efficient solutions to our clients, establishing us as a relevant player in the market in a short amount of time.
