More than a residential development, **Nhoa** is a community formed in a space that invites rest and tranquility, in an atmosphere where privacy is appreciated, for which it was designed.

- **36 departamentos 2 BEDROOMS**
- **3 levels, each with 12 units**
- **Lock -off system**

The location is ideal, as it is a few meters from the main **entrance of the exclusive community** of Aldea Zamá within Boca Zama, a private area with controlled access and 24 - hour security.

It is located in a strategic point for visiting the hotel zone and turquoise sea of Tulum, without mentioning the different restaurants you can discover without leaving Aldea Zamá, as well as convenience stores within 5 minutes from the project.
