

AMARU

Amaru is a project which mysticism invites to start the adventure of life, to appreciate the details, until becoming one with the universe.

Its interior welcomes you like a path accompanied
by a water channel undulating like a snake, while it
connects to its wide corridors.

Located in Tulum, favorite destination on an international level, where nature embraces you and welcomes you to paradise. Immersed in the Mayan culture and its sandy paths that will allow you to find the origin of your being again.

LUM

Its facade highlighted by its abstract design, where the lines and straight cut are predominant, implementing materials of great quality, like the wooden curtain that gives a sensation of even greater warmth. This is the union of the elements that shall allow you to reconnect with your being, where the origin of everything is found permanently knitted within itself.
