PORTFOLIO

OUR HISTORY

VanaTan is a young company established in 2022 originating in Hong Kong, made up of a group of investors with more than 20 years of experience in the tourism sector, specialized in the hotel, development, design and marketing sectors, with a presence in Asia and the Middle East.

We work for world-renowned 5-star hotels such as **Intercontinental, Hilton, Marriot, Holiday Inn, among others.**

Vacation rental model

THE KEY TO OUR SUCCESS

In 2017 we reached the destination with the highest tourist influx in Mexico, the Riviera Maya. **We invest in more than 45 properties** that we rent, buy, redesign and rebuild.

Later **we manage and position them** through digital platforms such as **Airbnb**.

OUR DEVELOPING PLAN

We want to share the key to our success with investors who, like us, **seek high returns on their investments through the vacation rental model.**

This is how **Spirit Condos 1904** was born. The first of a series of luxury real estate developments in Playa del Carmen that will integrate all our experience designing, building and managing properties.
