WHY CHOOSE NATIVA TULUM?

- Located in Region 10, one of the areas with the highest projected growth and value appreciation in Tulum.
- Immediate delivery with full urban services: drainage, paved roads, underground electricity, and fiber optics.
- Strategic connection to key services, avenues, hospitals, and retail — without giving up peace and tranquility.
- Over 58% of the land dedicated to green areas and amenities designed for integral well-being.
- Spaces created to coexist with nature in a 100% pet-friendly environment.

Because here, everything you're looking for is ready to enjoy.

A photograph of a modern, multi-story building with a swimming pool and lounge area. The building has white walls and dark wood balconies. The pool is surrounded by lounge chairs and a table with chairs. The scene is set in a tropical environment with palm trees and other greenery. The image is framed by a white, torn-paper-like border on the left and bottom.

Investing in Nativa means trusting a clear, professional, and well-guided process from the very beginning. Through a partnership with a specialized vacation rental operator, you can access a management scheme that allows you to generate income effortlessly—no matter where you are—backed by personalized support and a growing community.

A DEVELOPER WITH EXPERIENCE

Nativa is backed by a group with over 60 years of experience in the real estate industry. With more than 3,000 homes delivered, over 2 million m² built, and more than 50,000 jobs created, their expertise ensures a professional, solid, and long-term vision throughout the entire process.

MASTERPLAN

The masterplan prioritizes functionality with intuitive pathways, connected spaces, and a layout designed for everyday living.

Each building was strategically placed to avoid direct facing, ensuring privacy, open views, and better coexistence. The open distribution favors circulation, preserves native vegetation, and connects common areas without visual barriers.
