WHAT IS A VEHICLE FINANCE OR FINANCIAL IRREGULARITY CLAIM

If You have taken out a vehicle finance agreement since 2007, Your finance could have been mis-sold. Some dealers failed to provide explanations of finance fees, interest rates and terms to customers. Many lenders allowed brokers and vehicle dealers to charge higher interest rates to earn higher commissions for themselves which led to a direct connection between interest charged and commission received.

The FCA found many brokers did not disclose they were receiving commission or that commission was linked to the level of interest charged. This is known as a Discretionary Commission Arrangement (DCA). We may also identify other financial irregularity claims not involving Your vehicle finance, due to brokers often offered customers a finance product that was unaffordable based on their personal circumstances. If you were mis-sold then you may be able to make a claim.

HOW WE INVESTIGATE YOUR VEHICLE FINANCE OR FINANCIAL IRREGULARITY CLAIM?

We will check for past finance agreements with a soft credit search and obtain relevant information from the Third Party (e.g. via DSAR or the Consumer Credit Act).

We will investigate the merits of your claim whether Your vehicle finance was mis-sold, estimating any potential loss.

If We believe Your claim is legitimate, we will submit a letter of complaint to the Third Party and manage all correspondence between the Third Party and Us on Your behalf (note: usually the lender has 8 weeks to respond however, complaints responses are on hold until 4 December 2025, which may delay responses).

We will update You at least every six months, or sooner if there are material developments with your claim, including at every claim stage.

If the Third party upholds the complaint in the final response and an offer of compensation is made, we will explain it to You and advise whether to accept or challenge it if we think it's too low.

Band	Compensation received from Lender		Our Fee % (Including VAT)	Max total fee payable (Including VAT)
	Lower (£)	Upper (£)		
1	£1	£1,499	36%	£504
2	£1,500	£9,999	33.6%	£3,000
3	£10,000	£24,999	30%	£6,000
4	£25,000	£49,999	24%	£9,000
5	£50,000	N/A	18%	£12,000

If We don't think Your claim has a good chance of success or is rejected by the Third Party we will inform you of your rights to complain to the FOS.
