The ROI of Better Legal Writing

Even small improvements in legal drafting can deliver significant financial results.

Here's an example: Let's calculate the impact for a firm with 250 legal professionals:

BILLABLE HOURS
PER YEAR

2,134

per professional

AVERAGE
BILLING RATE

\$458_{/hr}

(industry average)

TIME REVIEWING
DOCUMENTS

30%

of time worked

CURRENT
WRITE-OFF RATE

16%

of time billed

WITH BRIEFCATCH, A 5% REDUCTION IN WRITE-OFFS MAKES A BIG DIFFERENCE:

Time Recovered

107 hours per professional annually. Across 250 legal professionals, that's **26,570 recovered hours**.

Additional Revenue

At \$458/hour, that's **\$12,251,500 in additional billable time**.

Operational Efficiency

Attorneys can focus on billable tasks, boosting productivity, and client satisfaction.
