① Durable Protection

- Vitalizes high strength yet responsive nitrile material ideal for increased protection in higher-risk tasks that require a thicker glove.

② Motion Enhancing Fit

- Natural fit and feel conform to the user's hands to provide exceptional dexterity.

③ Full Micro Texturing and Elevated Fingertip Texturing

- Enhances grip in wet and dry conditions when handling small instruments and sensitive tasks.

④ Extended Cuff

- Longer 12" cuff provides confidence in protection through enhanced wrist coverage.
