

FACE SHIELD

FULL LENGTH • ANTI-GLARE / ANTI-FOG SHIELD

12FS

Stay protected and comfortable with VIVIT Supply face shields, engineered for optimal performance during medical procedures with a high risk of fluid splash. Designed for comfort and functionality, the anti-glare and anti-fog properties ensure crystal-clear visibility. The ultra-soft, latex-free foam band offers lightweight comfort for extended wear.

- ① **Wrap-around Anti-glare/Anti-fog Shield**
 - Enhanced clarity through built in anti-glare and anti-fog treatments, providing a clear line of sight.
 - Protection from direct and peripheral spray of fluids with full facial coverage.
- ② **Ultra Soft Foam**
 - Cushion-like feel that flexes to the natural shape of the forehead.
- ③ **Responsive Elastic Strap**
 - Ensures a custom and secure fit for various head sizes.
- ④ **Full-length Curved Shield**
 - Wraps around the face to protect eyes, nose and mouth from fluids at multiple angles.
