### ① Ultra-soft Earloop
- Earloop material is soft and smooth for maximum comfort.
- Round design makes this mask one of the most comfortable options available.

### ② High Quality Nosepiece
- Aluminum nosepiece forms smoothly across the nose and cheekbones.
- Remains securely in place and reduces fogging of eyewear.

### ③ Soft Irritant-Free Inner Layer Material
- Inner layer has a silky finish that is delicate yet comfortable, making it ideal for those with skin sensitivities.

NON STERILE · 2 · LATEX Not made with natural rubber latex
