CLASS LEVEL DESCRIPTIONS

Please read the descriptions as levels may have changed.

Aqua tot I, II

Parent must accompany child in the water. Infants must wear swim diaper. Class is designed for child and parent to be comfortable in the water together and introduce water safety for child and parent. This class is not a “learn to swim” but rather a “learn to be comfortable” in bodies of water.

Aqua tots I (6 months – 2 ½ years)

Aqua tots II (2 ½ – 4 years)

Pre-beginners

Student will explore the water and learn basic skills with an instructor, including blowing bubbles, assisted floating, arm movements for the front crawl and back crawl.

Level I

Building on pre-beginner skills, students should be able to put their face in the water, blow bubbles and starting to work on swimming without assistance.

Level II

Builds on level 1 skills. Swimmers should be able to swim 5 yards on their front and back without help, float on their front and back independently and jump into shallow water from the side of the pool.

Level III

Builds on the level 2 skills. Swimmers should be able to swim 15 yards on their front and back without help. Additionally, they should be able to do a sitting dive, be able to jump into deep water, and return to the side on their own.

Level IV

Builds on level 3 skills. Swimmers should be able to swim 25 yards on the front with their face in the water and 25 yards on their back. Be able to do a kneeling dive, tread water for 30 seconds, and understand the arm movements for butterfly.

BULLPUPS

INTRO TO COMPETITIVE SWIMMING

Bridges the gap between our level four swim lessons and our Brighton Aquatics Bull Shark team. Prepares the swimmer to complete a practice and teaches some of the basic skills needed to race/compete. Will teach flip turns, swimming etiquette, starts, and many of the other skills needed to join the swim team, while working on endurance and technique.

Must have passed Level 4 or have aquatics director's approval to join.
