

WE LISTENED.

We met with community members, reviewed priorities, reduced the overall scope of the bond, focused on essential needs, and developed a revised plan centered on **protecting** our students, **preserving** our schools, and **preparing** for the future.

A \$90.275 million **BOND PROPOSAL** will address:

PROTECT.

ENHANCED SAFETY & SECURITY

- Secure vestibules
- Security lockout systems
- Reconfigure parking lots for better traffic flow

PRESERVE.

ESSENTIAL INFRASTRUCTURE IMPROVEMENTS

- Roofs
- HVAC systems
- Boilers & mechanical equipment
- Performing arts center – facility improvements

PREPARE.

MODERN LEARNING SPACES

- Science classroom renovations
- Gymnasium additions
- Remodel old gymnasiums into new classrooms
- Technology upgrades
- Orchestra & band classrooms
- Special education spaces
