Using more than 50 years of experience in working with wood, we have developed a **unique Platinum Aqua Block 24h floor**. A dense HDF board in combination with a waterproof Aqua Pearl locking made it possible to obtain a water-resistant floor. This feature gives you the peace of mind you need and you don't have to worry about everyday small accidents.

Используя более чем 50-летний опыт работы с деревом, мы разработали **уникальную коллекцию полов Platinum AQUA BLOCK 24h**. Плотная плита HDF в сочетании с водонепроницаемым замком Aqua Pearl позволила получить влагостойкий пол. Эта функция дает вам необходимое спокойствие, в котором вы нуждаетесь и вы можете не беспокоиться о повседневных мелочах.

Utilizando más de 50 años de experiencia en el trabajo con madera, hemos desarrollado **un piso único Platinum Aqua Block 24h**. Un tablero HDF denso en combinación con un click impermeable Aqua Pearl hizo posible obtener un piso resistente al agua. Esta característica le brinda la tranquilidad que necesita y no tiene que preocuparse por los pequeños accidentes cotidianos.

P85 Moulding

Together with a new line of laminated floor panels Platinum, SWISS KRONO has launched a moulding with trade symbol P85. Compared to other available finishing products for floors, it is unique thanks to perfect colour match achieved by detailed mirroring of each decor of the floor panels of the latest Platinum line.

Instructional video showing the installation of the P85 moulding:

Плинтус P85

Одновременно с введением на рынок новой коллекции ламинированных панелей Platinum SWISS KRONO ввел также плинтус. Символ торгового названия P85. Среди прочих, доступных на рынке продуктов для отделки пола, его выделяет декор плинтуса, который идеально совпадает с декором напольных панелей коллекции Platinum.

Zócalo P85

SWISS KRONO, junto a la línea de paneles laminados para suelos Platinum, ha introducido en el mercado un zócalo con el símbolo comercial P85. Entre otros productos de acabado para suelos disponibles en el mercado, este zócalo destaca sobre todo por su color adaptado perfectamente. Este efecto se ha podido conseguir gracias al reflejo exacto de cada diseño de paneles de la gama Platinum. El vídeo con las instrucciones de montaje del zócalo P85 está disponible en la dirección:
