## Synopsis:

Your Friend Logan is a vibrant documentary that celebrates the life, music, and boundless imagination of celebrated indie songwriter and versatile artist Logan Whitehurst.

Whitehurst, drummer of indie rock band The Velvet Teen and mastermind behind the whimsical Junior Science Club, inspired a devoted following with his quirky songs and irrepressible creativity.

Featuring rare archival footage, original animation, and insightful interviews with "Weird Al" Yankovic, Dr. Demento, Death Cab for Cutie's Chris Walla, and more, the film paints an intimate portrait of Whitehurst's offbeat genius and the joy he sparked in others.

The 103-minute tribute premieres August 9, 2025, at Petaluma's Phoenix Theater and launches worldwide via Vimeo On Demand on August 10.

5% of the film's proceeds will benefit the National Brain Tumor Society in Logan's memory.

## Notable Quotes:
