

List of Approved Sub-processors (the “List”)

This List is to be read in conjunction with Article 4 of AuxCode’s Data Processing Agreement (“DPA”). To view the DPA please follow the links provided on AuxCode’s corporate website (www.auxcode.com, www.auxcode.ai).

This List identifies the parties, shown in the table below, with which AuxCode has entered into a Sub-processing agreement, and which are engaged in the sub-processing of Personal Data carried under the responsibility of AuxCode and on behalf of the Customer under the DPA to which this List is appended.

Table1. Approved Sub-processors.

Approved Sub-processor	Sub-processor Location	Description of Sub-processing	Data Types	Contractual Data Protection
Google LLC	Ireland	Cloud Provider	AuxCode uses GCP. These cloud providers host the personal data Customers upload to the Services.	DPA in place with including Module 3 (processor to processor) Standard Contractual Clauses.
Microsoft Corp	USA	Cloud Provider	AuxCode uses Microsoft Azure. These cloud providers host the personal data Customers upload to the Services	DPA in place with including Module 3 (processor to processor) Standard Contractual Clauses.
Vercel	Geographically distributed	Cloud-based Website hosting	Same as above	DPA in place with including Module 3 (processor to processor) Standard Contractual Clauses.
Mongo DB	Ireland	Cloud-based database hosting services	Same as above	DPA in place with including Module 3 (processor to processor) Standard Contractual Clauses.
Emocio.cz s.r.o.	Czechia	Web domain host	Provider of email services, handling personal data (names, e-mail addresses, etc.) contained in your e-mail traffic with AuxCode.	Standard format GDPR Art 28 DPA in place.

AuxCode affiliates as sub-processors.

The AuxCode affiliates shown in Table 2 below may also act as Sub-processors to the extent that these Affiliates process Customer Personal Data when providing technical support to Customers.

Inclusion in Table 2 below signifies that the affiliate provides the same level of protection of your Personal Data as AuxCode does by virtue of the contractual clauses in their service agreements with AuxCode.

Table 2. Affiliated Approved Sub-processors

Affiliate name	Description of Sub-processing	Data Types
None.
