## What's new at Reach this month

June 2026

### LOP Students Achieve a Significant Milestone

On June 18th, 110 Language Outreach Program students graduated to the next class level.

This milestone was celebrated at our virtual graduation ceremony, featuring a keynote address by Mayor of Rockville Monique Ashton, who highlighted the students' "perseverance, determination, and a commitment to continue to grow and improve," while reaffirming the City of Rockville's support for LOP.

Three students also spoke, including Advanced student Ms. J, who expressed that LOP has "truly helped me gain confidence in my communication skills and in my ability to interact with others in different environments."

Congratulations to our hardworking students!
