

Bridge School Malvern

Newsletter - Autumn 1 - 2026

The lovely weather has given our pupils plenty of opportunities to enjoy fun outdoor activities, making the most of the sunshine. It has been wonderful to see how well all our pupils have settled back into school routines this term. We are incredibly proud of their hard work and positive attitudes.

We wish all our pupils, families and staff a lovely, restful half-term break and look forward to welcoming everyone back on the 2nd November.

Year 8 and 9 Maize Maze Adventure

Our Year 8 and 9 pupils had an amazing trip to the Maize Maze. We were so proud of the resilience and determination they showed as they worked together to find the clues and solve the anagrams along the way.

The pupils demonstrated brilliant behaviour throughout the trip and it was wonderful to see everyone enjoying themselves, using their reading and problem-solving skills and rising to the challenge.

Book Launches

Some of our pupils have been working with author Daisy Merle to create their very own stories. Their hard work and creativity came to life when their stories were professionally printed into real books.

This term, we were delighted to welcome Daisy back to celebrate our very special book launches. The pupils had a wonderful time sharing and reading their stories and celebrating their achievements.

Happy Harvesting

Our pupils have been busy harvesting the wonderful things they planted and nurtured over the past few months. It has been lovely to see so many happy, smiling faces as they proudly collected the fruits of their hard work.

October Cookery School Success

At our October Cookery School it was wonderful to have families come together to make the most of the opportunity to learn cooking skills with our professional chef. Thank you, Jon.

We are already looking forward to our next Cookery School on **21st November**. Keep an eye out for more details – we hope to see you there.

Welcome

We are thrilled to welcome Julia to our school team as our new school guidance counsellor. We are delighted to have her joining us as she brings a lot of experience to the school.

Important dates for your diary:

Half Term Monday 26th October - Friday 30th October 2026

Term starts - Monday 2nd November 2026

Enrichment and Parent Workshop - Date to be confirmed

Cookery School - Saturday 21st November

Last day of term Friday 18th December 2026

Bringing Christmas Cards to Life

As part of their Employability sessions, pupils enjoyed a visit to Iris Printing, where they brought their Christmas card designs to life.

Using cyanotype artwork inspired by natural materials collected from our school wildlife area, pupils transformed their creations into digital prints, developing their IT skills and gaining valuable insight into the world of work.
