

Free transport of your owners' spares

Order your provisions from Wrist Aalborg and receive complimentary transport of up to five pallets of owners' spares from our Rotterdam facilities to vessel delivery in Denmark. For larger shipments, please contact us.

Your benefits with Wrist

Combine your provisions and owners' spares in one coordinated delivery for a simpler, more cost-effective supply solution.

- **No transport cost** for up to five pallets of owners' spares from our Rotterdam facilities to vessel delivery in Denmark when combined with a provisions order
- **One trusted supplier** for provisions, stores, owners' spares, and marine logistics
- **Daily shuttle connections** between Rotterdam, Hamburg, and Aalborg
- **Reliable deliveries** to vessels calling Denmark, including The Skaw
- **One coordinated delivery** of provisions and owners' spares

Strategically positioned for Northern Europe

Wrist Aalborg serves as the logistics hub for our Northern European operations, with direct access to the Baltic Sea and the North Sea.

Through our daily shuttle connections between Rotterdam, Hamburg and Aalborg, we provide fast, reliable, and competitive transport solutions for vessels operating throughout Northern Europe.
