
UPDATED STORM HAUL POLICY

As of September 1st, 2026, we have changed our Storm Haul Policy. All haul outs that are within 3 days of a named weather event, will be charged \$15 per foot of the length of the vessel. This policy holds true with dropping your boat off for Service and or Winter Storage. All Customers must have in writing through email (Service@minmar.com) with a specific date of Winter Storage drop off dated outside of the 3-day window to avoid being charged for a Storm Haul.

This Policy is non-negotiable and Refunds

will not be given!
