

# OPERATION PARENT

**Operation Parent** is a  
nationwide nonprofit

equipping parents and caregivers  
with practical, prevention-focused  
tools to navigate the challenges kids  
face today, including: **social media,  
gaming, vaping, alcohol, THC,  
opioids, anxiety, bullying, and more.**

**Our mission is simple:**

to empower parents and caregivers to  
have **casual, courageous conversations**  
with their kids. We believe these  
everyday talks are one of the most  
powerful forms of prevention.

Through our trusted Parent Handbook,  
free monthly webinars, and expert  
resources, Operation Parent makes  
prevention education easy to access,  
meaningful, and built for real family life.

**Operation Parent's proactive  
approach and commitment  
to excellence**

in the prevention sector have made it a  
trusted national leader in safeguarding  
the well-being of the next generation.

Every child deserves a safe, healthy  
future—and you can help make that  
possible. **Consider a gift today!**
