With its tradition-rich atmosphere and impeccably maintained grounds, the course provides an unforgettable setting for a premier day of golf, connection, and charitable impact.

BCM Georgia

Since 1987, BCM Georgia has supported low-income working families across Metro Atlanta by helping them achieve and maintain housing stability. Created by a coalition of churches committed to serving vulnerable neighbors, the organization has grown into a leading provider of family-centered support with more than 140 years of combined case management experience. **In the past 5 years alone, BCM Georgia has positively impacted more than 10,000 individuals.**

Guided by a two-generation approach, BCM's programs are designed to strengthen both parents and children—helping families remain safely housed, children stay in school, and households build lasting financial stability.
