

FIRE, SAFETY & SECURITY AWARDS

Security Safety Innovation Product/Service of the Year

This category recognises a company, team, or product that has demonstrated outstanding innovation, leadership, and measurable impact in advancing the field of security and safety.

Innovation & Technological Advancement

- Describe the innovative product, service, or solution you have introduced.
- What makes it unique or a breakthrough compared to existing offerings?
- Outline the research, design, or development process behind it.

Impact & Results

- Provide evidence of measurable success: incident reduction, faster response, improved reliability, or cost-efficiency.
- Does it contribute to a safer workplace, community, or industry?

User Experience, Training & Support

- Explain how the product/service is designed for ease of use and reliability in Irish operational environments.
- Describe training and support provided to clients, including CPD programmes, technical manuals, and after-sales care.
- Showcase ongoing user engagement and feedback processes to refine and enhance the offering.

Quality & Compliance

- Evidence compliance with PSA licensing, NSAI standards (I.S. EN series), ISO 9001, ISO 27001, and GDPR.
- Highlight any certifications, audits, or national accreditations that confirm product/service quality.

Client Recognition & Market Impact

- Provide endorsements or testimonials from clients and partners.
- Has your innovation received recognition in the Irish market, media, or through industry awards?
- Demonstrate strong customer satisfaction, reliability, and performance metrics.

***Legal proceedings**
