

FIRE, SAFETY & SECURITY AWARDS

Facilities Management Team of the Year - Education

This category is intended to honour a company that has shown exceptional leadership, impact, and commitment across all aspects of facilities management in Healthcare surroundings

Team Impact & Achievements

- *Show how the FM team has made a measurable difference in student, staff, and visitor safety in the smooth running of educational facilities.*
- *Demonstrate performance in managing critical building functions, including planned and reactive maintenance, utilities etc.*
- *Provide evidence of successful FM initiatives, service improvements, energy reductions, enhanced student / staff environments, or rapid response during emergencies or operational disruptions.*

Collaboration & Teamwork

- *Does the team demonstrate strong internal cooperation, communication, and coordination?*
- *Have they collaborated effectively with other departments, law enforcement, emergency services, contractors, or external partners?*
- *Show how cooperation has directly contributed to improved facilities in the building.*

Innovation & Initiative

- *Has the team introduced innovative solutions or technologies that improve healthcare FM delivery? Examples include: digital maintenance tools, smart building systems, energy optimisation, improved staff / student comfort systems.*
- *Have they taken proactive steps to identify and reduce risks, streamline workflows, support operations, or enhance the reliability of critical infrastructure?*

Workforce Competence & Development

- *Does the company invest in staff training, professional certifications, and continuous development?*
- *Do they mentor colleagues, support upskilling, or promote a continuous improvement culture within the organisation?*
- *Do you maintain a qualified, experienced, and customer and safety-conscious team?*

Compliance & Best Practices

- *Does the team maintain high compliance such as - building safety, fire safety obligations, infection control requirements, health & safety legislation*
- *Have they contributed to the development, refinement, or improvement of internal security protocols, emergency procedures, or risk frameworks?*

Customer Satisfaction & Support

- *Do clients or partners report high satisfaction with product performance and after-sales support?*
- *Are there case studies, testimonials, or retention rates that demonstrate strong relationships?*

***Legal proceedings**

If your company has been subject to any prosecution in relation to fire safety law or health and safety law since 1 January 2022, or has been subject to any enforcement notices, then your entry will automatically be disqualified
