

# FIRE, SAFETY & SECURITY AWARDS

## Facilities Management Team of the Year - Public Buildings

This category is intended to honour a company that has shown exceptional leadership, impact, and commitment across all aspects of facilities management in public buildings

### **Team Impact & Achievements**

- *Show how the team has made a measurable difference in building operations, maintenance, cleaning, workplace services, front-of-house support, fire safety/ security oversight, and environmental sustainability, or protection of people, property, and assets.*
- *Has the team demonstrated exceptional performance during security incidents, emergencies, patrol operations, or major events?*
- *Provide evidence of successful initiatives, risk assessments, proactive interventions, or safety audits that improved the building environment.*

### **Collaboration & Teamwork**

- *Does the team demonstrate strong internal cooperation, communication, and coordination?*
- *Have they collaborated effectively with other departments, law enforcement, emergency services, contractors, or external partners?*
- *Show how cooperation has directly contributed to improved facilities in the building.*

### **Innovation & Initiative**

- *Has the team developed or implemented new technologies, processes, sustainability measures, or tools that enhance FM delivery? Examples: digital reporting, smart building systems, IoT sensors, energy optimisation, workflow automation.*
- *Have they taken proactive steps beyond standard duties to improve building efficiency, reduce downtime, or enhance user experience?*

### **Workforce Competence & Development**

- *Does the company invest in staff training, professional certifications, and continuous development?*
- *Do they mentor colleagues, support upskilling, or promote a continuous improvement culture within the organisation?*
- *Do you maintain a qualified, experienced, and customer and safety-conscious team?*

### **Compliance & Best Practices**

- *Does the team maintain high compliance with security regulations, PSA standards, internal policies, and audit requirements?*
- *Have they contributed to the development, refinement, or improvement of internal security protocols, emergency procedures, or risk frameworks?*

### **Customer Satisfaction & Support**

- *Do clients or partners report high satisfaction with product performance and after-sales support?*
- *Are there case studies, testimonials, or retention rates that demonstrate strong relationships?*

#### **\*Legal proceedings**

**If your company has been subject to any prosecution in relation to fire safety law or health and safety law since 1 January 2022, or has been subject to any enforcement notices, then your entry will automatically be disqualified**
