

FIRE, SAFETY & SECURITY AWARDS

Security Provider of the Year

This category is intended to honour a company that has shown exceptional leadership, impact, and commitment across all aspects of security

Excellence in Security Safety

- Show how your company has delivered outstanding performance across key areas such as: manned guarding, patrol services, monitoring, access control, CCTV, electronic security systems, consultancy, risk assessment, mobile response, or integrated solutions.
- Describe your service portfolio – do you provide end-to-end security solutions or specialist offerings?
- Demonstrate excellence in handling security incidents, major events, operational disruptions, or emergencies

Innovation & Advancement

- Has your company introduced new technologies, tools, or approaches that strengthen security outcomes?
- Are you addressing emerging threats and risks such as: organised crime, anti-social behaviour, insider threats, critical infrastructure protection, or high-risk environments?
- Show how innovation has improved client safety, efficiency, or operational performance

Quality Assurance & Compliance

- Demonstrate compliance with national and international standards (e.g., PSA licensing, ISO 9001, ISO 27001, EN standards).
- Show evidence of audited processes, quality control measures, and continuous improvement.
- Is there a strong internal culture of safety, quality control, and regulatory compliance?

Workforce Competence & Development

- Does the company invest in staff training, professional certifications, and continuous development?
- Do you maintain a qualified, experienced, and safety-conscious team?

Leadership & Industry Contribution

- Has the company played a leading role in shaping the security industry (e.g., participation in standards bodies, policy input, public advocacy)?
- Do you collaborate with other stakeholders for broader security / safety improvement?

Client & Customer Impact & Results

- Can the company show evidence of successful outcomes (e.g., reduced incidents, improved compliance, enhanced safety)?
- Does the company have a strong track record for client satisfaction, responsiveness, and support?
- Are there notable projects, case studies, or testimonials from clients?

***Legal proceedings**

If your company has been subject to any prosecution in relation to fire safety law or health and safety law since 1 January 2022, or has been subject to any enforcement notices, then your entry will automatically be disqualified
