Job Description
Senior . NET Developer

Position Title: Senior .NET Developer

Experience Required: 5+ years

Location: Hyderabad / Texas

Job Summary:

Virtualyyst is seeking a talented and experienced Senior .NET Developer with Angular to join our global development team. This role is available in Texas, USA and Hyderabad, India with a hybrid work arrangement. The ideal candidate will be responsible for designing, developing, and maintaining robust, scalable, and high-performance applications, collaborating with cross-functional teams across time zones, and delivering exceptional user experiences.

Key Responsibilities:

- Design, develop, and maintain high-quality applications using .NET Core, C#, ASP.NET MVC, and Angular 8+.
- Write clean, maintainable, and efficient code while ensuring performance, scalability, and security.
- Collaborate with business analysts, architects, and QA teams to define and implement features.
- Troubleshoot and resolve complex technical issues promptly.
- Participate in code reviews, ensuring adherence to best practices and coding standards.
- Stay updated on emerging technologies and industry trends to improve solutions.

Required Skills and Qualifications:

- Bachelor's degree in Computer Science, IT, or related field.
- 5+ years of hands-on development experience.
- Expertise in .NET Core, C#, Angular 8+, TypeScript, JavaScript, HTML5, and CSS3.
- Strong experience with RESTful APIs, Entity Framework, and SQL Server.
- Proficient with version control tools like Git.
- Excellent problem-solving and communication skills.
- For USA Applicants: Must be a U.S. Citizen or Green Card Holder (no visa sponsorship available).

Preferred Qualifications:

- Experience with Azure or AWS cloud services.
- Familiarity with Agile/Scrum methodologies.
- Knowledge of CI/CD pipelines and DevOps practices.

Work Arrangement:

- Texas, USA: Hybrid – 2 days/week onsite at Republic Finance office, rest remote.
- Hyderabad, India: Hybrid – 12 days/month onsite at Virtualyyst office, rest remote.

What We Offer:

- Competitive salary and benefits based on location.
- Opportunities to work on global, large-scale projects.
- Flexible work environment.
- Career growth and skill enhancement opportunities.
