

Job Title: Senior React.js Developer (7+ Years Experience)

Location: Mumbai/Pune, India

Experience: 7+ Years Employment

Type: Full-Time

Job Summary

We are looking for an experienced Senior React.js Developer to lead the development of high-quality web applications. The ideal candidate should have strong expertise in React.js, modern JavaScript, and front-end architecture, along with the ability to mentor junior developers and collaborate with cross-functional teams.

Key Responsibilities

- Design, develop, and maintain scalable and high-performance web applications using React.js
- Build reusable components and front-end libraries for future use
- Translate UI/UX designs into responsive and interactive user interfaces
- Optimize applications for maximum speed and scalability
- Collaborate with backend developers, designers, and product managers
- Write clean, maintainable, and well-documented code
- Conduct code reviews and mentor junior developers
- Stay updated with the latest front-end technologies and best practices

Required Skills & Qualifications

- 7+ years of experience in front-end development
- Strong proficiency in JavaScript (ES6+), HTML5, and CSS3
- Extensive experience with React.js and its core principles
- Hands-on experience with state management libraries (Redux, Context API, etc.)
- Experience with RESTful APIs and integration
- Familiarity with modern front-end build tools (Webpack, Babel, Vite, etc.)
- Strong understanding of responsive design and cross-browser compatibility
- Experience with version control systems like Git
- Good understanding of Agile/Scrum methodologies

Preferred Qualifications

- Experience with TypeScript
- Knowledge of Next.js or other React frameworks
- Familiarity with testing frameworks (Jest, React Testing Library)
- Experience with CI/CD pipelines
- Understanding of performance optimization techniques

Soft Skills

- Strong problem-solving and analytical skills
- Excellent communication and teamwork abilities
- Ability to work independently and handle multiple tasks

What We Offer

- Competitive salary and benefits
- Opportunity to work on cutting-edge technologies
- Collaborative and growth-oriented work environment
- Career advancement opportunities

A large, faded version of the Virtualyyst logo is centered on the page. It includes the 'VA' monogram, the word 'virtualyyst' in a large, lowercase sans-serif font, and the tagline 'Innovating with AI' below it. A trademark symbol (TM) is also visible to the right of the word 'virtualyyst'.
