

Job Title: Asst. Voice Product Manager (3+ Years Experience)

Location: Mumbai, India

Experience: 3+ Years

Employment Type: Full-Time

Job Summary

We are looking for an Asst. Voice Product Manager with 3+ years of experience to help build and enhance voice-enabled products and experiences. The ideal candidate should have a strong understanding of user behavior, voice interfaces, and product lifecycle management, with the ability to collaborate across teams to deliver intuitive and scalable voice solutions.

Key Responsibilities

- Define product vision, roadmap, and strategy for voice-enabled applications
- Work closely with engineering, design, and data teams to deliver voice-based features
- Design and optimize conversational flows for voice assistants and IVR systems
- Analyze user interactions and feedback to improve voice experience
- Conduct market research and competitor analysis in the voice/AI space
- Prioritize product features based on business goals and user needs
- Write clear product requirements and user stories
- Track product performance using analytics and KPIs

Required Skills & Qualifications

- 1+ years of experience in product management or related role
- Basic understanding of voice technologies (Speech-to-Text, Text-to-Speech, NLP)
- Familiarity with voice platforms (Alexa, Google Assistant, IVR systems, etc.)
- Strong analytical and problem-solving skills
- Experience working with cross-functional teams
- Knowledge of Agile/Scrum methodologies
- Excellent communication and documentation skills

Preferred Qualifications

- Exposure to conversational design or UX writing
- Familiarity with AI/ML concepts and tools
- Experience with analytics tools (Google Analytics, Mixpanel, etc.)
- Understanding of APIs and backend systems
- MBA or relevant certification in product management (optional)

Soft Skills

- Strong communication and stakeholder management skills
- Ability to think from a user perspective
- Adaptability and willingness to learn new technologies
- Good decision-making and prioritization skills

What We Offer

- Competitive salary and benefits
- Opportunity to work on cutting-edge voice and AI technologies
- Collaborative and fast-paced work environment
- Career growth and learning opportunities
