Hello parents and first graders!

Welcome to Class 101! I am so happy to meet you!

First grade is a great year for students to grow in their independence, both academically and emotionally. As a parent myself, I look forward to helping your children to make these big transitions. We will spend the first few days of school getting to know one another and establishing the rules and routines that will help your children have a successful school year. Later this month, we will have a meet-the-teacher event during which we will also discuss the math, reading, writing, science, and social studies topics to be explored in first grade.

I am available to answer your questions- technical, academic, or otherwise. Email is the best way to reach me. Thank you, as always, for your support!

If you have any questions or concerns, please, reach out to me at ssanders6@schools.nyc.gov

I wish you an exciting and healthy year!

Sincerely,
Mrs. Sanders
