To create consistent practice, please know that homework will be assigned every day. The homework will be mostly review and practice. It usually takes 10-15 minutes to complete. A parent or family member must sign the homework. Homework is returned to school the following school day first thing in the morning.

Students who are hydrated and fed are more attentive learners. You are encouraged to bring cold water and snacks daily.

Please also bring a kind heart, a positive attitude, and a willingness to learn and discover new things. I look forward to sharing the year with you. Together we'll explore the world and make many exciting, interesting, funny😊connections. See you in September.

Smiles,

Ms. Robertson
