

Welcome Letter ☺

Dear Family,

Hello and welcome back! My name is Ms. Mackin, and I will be your child's second grade teacher. I hope you all had a wonderful summer, and now it is time to kick off the 2026/2027 school year.

First, I would like to tell you a little bit about myself. This is my 11th year teaching at PS48. I have been here since 2010-but took a 5 year child care leave to be home with my daughters. I returned back in September of 2024.

Now, moving onto what you can expect from me this year. In order to make this year successful for your children, I will establish class rules and routines. I feel it's very important to have structure and consistency in place everyday. I am very dedicated to my career, and I believe in helping each student build their self-confidence and giving them positive reinforcement to become better learners.

Communication is very important to me, and I feel it is easier for your child to succeed and grow when they see that you and I are on the same page.

I am always available to discuss your child's performance academically, and behaviorally. Feel free to contact me.
