

Welcome to Kindergarten!

Dear Kindergarten Families,

Welcome to a new school year! My name is Ms. Jason, and I am so excited to be your child's teacher. Kindergarten is a wonderful year filled with learning, growth, friendships, and fun. I am looking forward to getting to know each of your children and helping them develop a love of learning.

This year, we will explore reading, writing, math, science, and social studies through hands-on activities, games, songs, and creative projects. Our classroom will be a safe, caring, and positive environment where every child is encouraged to do their best and celebrate their successes.

To help your child have a successful year, please:

- Make sure your child arrives at school on time each day.
- Send a healthy snack and water bottle if permitted by the school.
- Check your child's folder and backpack daily for important information.
- Encourage reading at home every night.

Communication between home and school is very important to me. If you ever have questions, concerns, or information you would like to share, please feel free to contact me. Working together, we can help your child have a successful and memorable kindergarten experience.

Thank you for entrusting me with your child's education. I am excited for a year filled with learning, laughter, and growth!

Warmly,

Ms. Jason
Kindergarten Teacher
