

Dear Families and Third Grade Students,

It is great to welcome you back to the 2026-2027 school year. We look forward to working with you to have a successful year of educational and personal growth!

The homeroom teacher is responsible for taking attendance and distributing schoolwide notices; and all teachers will be available to meet with you during Parent-Teacher Engagement meetings (days and times to be announced).

As teachers we are looking forward to preparing our students for a challenging school year, which we are sure through diligence and hard work, these challenges will definitely be conquered and success for all is possible.

Educational Yours,

Ms. Bond
