With world-class amenities and panoramic views, The Biltmore delivers a seamless, immersive experience tailored for global leaders and visionary partnerships.

GLOBAL
INVESTORS
FORUM

FORUM'S FOCUS SECTOR

High-Growth Sectors. High-Value Insights

The Global Investors Forum will feature four focused panels that bring together global experts and investors to spotlight real opportunities across strategic sectors.

SECTOR 1

SUSTAINABILITY & TECHNOLOGY

Panel: "Tech-Enabled Sustainability: Investing in a Smarter, Greener Future"

Driving Innovation and Green Growth in a Digital World

This dynamic sector explores how sustainability and technology are converging to reshape the investment landscape. From clean energy and green construction to smart cities and digital infrastructure, innovation is opening new pathways to a low-carbon economy.

Key Talking Points:

- Ecosystem of sustainable and digital technologies: regional and global outlook
- Investment in renewable energy, green buildings, clean mobility, climate tech
- Smart technologies, data solutions, and digital transformation in sustainability

**GLOBAL
INVESTORS
FORUM**

SECTOR 2

TOURISM

Panel: “Tourism Transformation: Medical, Cultural, and Experiential Pathways to Growth”

Investing in Experience: From Wellness and Heritage to Hospitality and Medical Excellence Covering all tourism verticals—from leisure and wellness to business, medical, and educational tourism this sector outlines how Georgia can serve as a rising hub.

Key Talking Points:

- Georgia's positioning in medical, cultural, eco, and wellness tourism
- Smart tourism infrastructure, digital platforms, and connectivity

SECTOR 3

DIGITAL MONEY & SECURITIZATION

Panel: "Digital Money & Securitization"

Bridging Innovation and Regulation: The New Era of Money

This panel is designed as a thought-leadership dialogue where policymakers, investors, and innovators converge to explore how securitization and digital money unlock new flows of capital across emerging markets, with GIF as the bridge between Dubai–Georgia–Hong Kong corridors.

Key Talking Points:

- Frame Georgia and GIF as a global hub for digital finance innovation.
- Showcase opportunities for investors in tokenized assets, securitization of infrastructure/real estate, and CBDCs.

SECTOR 4

INFRASTRUCTURE & REAL ESTATE DEVELOPMENT**Panel: “Real Estate Investment Opportunities in Georgia and Beyond”**

Real Estate as a Regional Growth Engine A look at Georgia and emerging markets as hubs for infrastructure-led development. The sector explores trends and opportunities across residential, logistics, tourism, and mixed-use assets.

Key Talking Points:

- Performance of Georgia’s real estate sector and its diversification role
- Investment opportunities across urban development, logistics, and tourism

SECTOR 5

AGRI-TECH, AGRI- INVESTMENTS & FOOD SECURITY

Panel: “Sustainable Agriculture and Food Security in the Region”

Regional Agriculture Meets Global Innovation This panel highlights investment opportunities across Agri-tech, food systems, and precision agriculture. With case studies and success models from Georgia and abroad.

Key Talking Points:

- Georgia's agriculture growth and role in regional food systems
- Agri-tech and processing innovations in emerging markets

GIF'S AGENDA

An Immersive Three-Day Journey of Vision,
Connection, and Opportunity

GIF 2025 will spotlight five high-growth sectors-Agri-Tech, Tourism, Sustainability & Technology, Digital Money & Securitization and Real Estate-through expert-led panel sessions. Each discussion will uncover real investment opportunities, emerging trends, and success models from Georgia and beyond, offering direct access to the people shaping the future of global investment
