

GLOBAL INVESTORS FORUM (GIF) 2026

Country of Honor - Qatar

Where Capital Meets Vision. Where Strategy
Becomes Execution.

Coming Soon, 2026 – Doha, State of Qatar

BUILDING THE NEXT CHAPTER OF GLOBAL INVESTMENT

The Global Investors Forum (GIF) 2026 – Qatar is a deal-driven, sovereign-level investment platform connecting governments, sovereign wealth funds, global investors, developers, innovators, and policymakers.

More than a conference, GIF is a strategic marketplace designed to convert dialogue into bankable projects, partnerships, and capital deployment across priority sectors shaping the global economy.

About GIF

A Global Platform with a Singular Mission

GIF was created to bridge regions, align capital with national visions, and accelerate execution.

Each edition is tailored to the host country's strategic priorities—positioning investment not as an abstract concept, but as a tool for growth, resilience, and long-term value creation.

Why

Qatar?

A Proven Magnet for Global Capital Demonstrated FDI Momentum

- USD 2.7+ billion in FDI attracted in 2024
- 241 new FDI projects launched in one year
- 9,000+ high-value jobs created
- Majority greenfield investments

Sovereign Strength & Financial Depth

- One of the highest GDP per capita levels globally
- Sovereign wealth ecosystem exceeding USD 500 billion
- Strong sovereign credit ratings

Diversified Growth Beyond Energy While hydrocarbons remain a strength, Qatar is rapidly expanding into:

- Financial services and asset management
- Logistics and advanced manufacturing
- Technology, digital economy, and AI
- Healthcare, education, and knowledge industries

Global Competitiveness

- Ranked 12th globally in the FDI Performance Index
- Among the world's most efficient economies in converting policy into investment

Investor-Friendly Regulatory Framework

- Up to 100% foreign ownership
- Full capital and profit repatriation
- International-standard commercial laws
- Strong dispute resolution and investor protection

What this means for investors:

- Above-average returns on governance, infrastructure, and economic policy.
- A low-risk, high-credibility environment for large-scale capital deployment.
- A transparent, internationally compatible legal and regulatory system.
- Qatar attracts long-horizon investors building real businesses and platforms.

POSITIONS QATAR NOT ONLY AS A HOST BUT AS A GLOBAL INVESTMENT BENCHMARK

DELIVERING ON QATAR'S STRATEGIC VISION The Global Investors Forum Qatar is structured as a practical instrument for advancing Qatar National Vision 2030 by translating national priorities into international partnerships, capital inflows, and sustainable investment platforms.

Through its deal-driven format, GIF contributes to:

- **Economic diversification** by mobilizing capital into priority non-hydrocarbon sectors
- **Private sector development** by integrating Qatari companies into global investment networks
- **Innovation and the knowledge economy** through access to international technology and expertise
- **Global integration of Qatari** capital by positioning Doha as a convening hub for cross-border investment and fund creation
- **Inclusive growth and women's leadership** by advancing the role of Qatari women as entrepreneurs, executives, and leaders in finance, technology, and investment.
- **National takeaway:** GIF is a strategic platform supporting Qatar's long-term economic transformation and inclusive growth agenda.
