

TOP COAT™

HIGH OIL CONDITIONING PELLET

A high oil conditioning supplement for improving the topline and condition of foals, yearlings and mares bound for the sales ring.

A stabilised rice bran conditioning supplement providing palatable calories in a low starch format making it suitable for building condition without creating behavioural issues. Ideal for use during the prep period or to give horses in training a strategic boost of energy during the season.

Feeding requirements

Feeding requirements will vary subject to individual needs, stage of pregnancy or growth, body condition and feed management practices. To discuss in further detail, please call our Nutrition Team on **+44 (0)1622 718 487**
