

# LUMINANCE™

## HIGH-FAT STABILISED RICE BRAN AND LINSEED SUPPLEMENT FOR WEIGHT GAIN AND CONDITION

Delivers condition and muscle tone without adding fizz.

### Research

Linseed is the richest vegetable source of Omega-3 fatty acids. Increasing dietary levels of Omega-3 fatty acids can have extremely beneficial effects on coat and skin condition. Omega-3 fatty acids can also aid in joint health and mobility which makes LUMINANCE™ beneficial to the performance horse with a high energy (calorie) requirement.

### Feeding requirements

Feeding requirements will vary subject to individual needs, level of work, body condition and feed management practices. To discuss in further detail, please contact one of the Saracen Equine specialists.

|                                                                                    | FEEDING RATE                 | Feed (kg) Frequency |         |
|------------------------------------------------------------------------------------|------------------------------|---------------------|---------|
|                                                                                    |                              |                     |         |
|  | Maintenance                  | 0.5                 | Per day |
|                                                                                    | Performance - light/moderate | 0.5                 | Per day |
|                                                                                    | Intense Work                 | 1.0-1.5             | Per day |
|                                                                                    | Stallions                    | 0.5-1.0             | Per day |
|                                                                                    | Broodmares                   | 0.9-1.3             | Per day |

The feeding rates are offered as a guide. If you would like to discuss your horse's individual requirements, please contact a member of our Nutrition Team on **+44 (0)1622 718 487**

Please note the best before date on this product is American. Therefore the format is MM/DD/YY

### Pack size

18 kg

### Ingredients

Stabilized rice bran, wheat middlings, linseed meal, soya oil\*, calcium carbonate, yeast culture, dried yeast \*Genetically modified material

### Nutritional Info:

- Crude Fibre - 9.0%
- Crude Protein - 12.0%
- Crude Oil - 24.0%
- Starch - 14.5%
- Digestible Energy - 16.3 MJ/kg

### Vitamins:

- Vitamin A - 6,600 IU/kg
- Vitamin D - 600 IU/kg
- Vitamin E - 550 IU/kg

### Minerals:

- Calcium - 1.50%
- Phosphorus - 1.00%
- Copper - 25 mg/kg
- Zinc - 70 mg/kg
- Selenium - 0.3 mg/kg
