# Help Your Clients **Achieve Financial Independence**

Serving individuals in the disability community can be complex, especially as it relates to their finances.

ABLE United is a powerful savings and investment tool built specifically to help them save with confidence to gain financial security and independence.

# Recommend ABLE With Confidence

- ✓ **Benefit Protection:** Savings don't count as assets
- ✓ **Age 46 Expansion:** More individuals are now eligible (veterans, acquired disabilities, progressive conditions)
- ✓ **Tax Advantages:** Offers tax-free growth and withdrawals for qualified expenses
- ✓ **Client Autonomy:** Individuals can manage on their own or with help
- ✓ **Flexible Use:** Funds can be used for housing, health care, transportation, assistive technology, employment support, daily needs, and more

Since 2019 ABLE United has helped over 18,000 individuals with disabilities save more than 150 million dollars. It is overseen by Florida Prepaid, which manages over 15 billion dollars for Floridians saving for higher education.

**"ABLE United creates the opportunity to dream. It helps that individual with a disability envision a future and a goal that they can work towards."**
