Welcome Families to School Year 2024-2025

Principal's Message

Assistant Principal, Ms. Lisa Cummings, and I cannot thank you enough for your wonderful support of our youngsters in getting them prepared for the new school year. The EFMS staff has also worked very hard preparing for the opening of the school and they have done an excellent job!

Here at Ebbets Field Middle School, we are dedicated to excellence. Our goal is to ensure that every student at EFMS is reading on or above grade level by the end of their academic year. To support this effort, every student is expected to read a minimum of 15 minutes every night. Please ask your child to read to you. Please sign your child's reading log to document his/her reading.

I also invite you to become involved with our EFMS family. Join us as a school volunteer, community partner, and/or school advisory council member. For additional information on how to become involved, please contact Mrs. Mellis, Parent Coordinator at 718 941-5097. Thank you again for a great beginning of school, working together as a team, your child will be the winner!

In partnership,
Shery-Ann Atkinson

Parent Coordinator's Message

Dear Families, Welcome to Ebbets Field Middle School. My name is Mrs. Mellis and as a parent Coordinator, I am here to help. I will be going through the NYC Public Middle School years alongside you.

Our students thrive when all of our community stakeholders: parents, teachers, school counselors, administration, coaches, staff, and alumni work together to help guide them. Parents, please remember that you are a vital team member in the academic and social success of your child. You are encouraged to be an active participant in your child education. Our PTA (Parents Teacher Association) has monthly meetings, and several events and workshops throughout the year that may benefit your family. Joining the PTA, or at least participating in a few events, can forge relationships that can help your child's future success.

In order to stay aware of what takes place here at Ebbets Field Middle School, please ensure your contact information is always current and updated. The best way to track your student's progress including grades, attendance, and more is to log on to your NYC School Account. If you need a creation code, please let me know. Other great ways to get information are on our website <https://efms352.org> and social media accounts. Please follow us on twitter@EFMSRISE or Instagram for the latest highlights and announcements.

On behalf of the entire Ebbets Field Middle School, we wish your child an extraordinary school year!

Respectfully,
Mrs. Mellis
Parent Coordinator
Ebbets Field Middle School 352

WELCOME!
