Student Spotlight

Dear Sincere, your commitment to enlightening the world around diversity, inclusion, and the power of flexible thinking is both inspiring and impactful. Through consistency, accountability, and an unwavering dedication to growth, you have demonstrated what it truly means to evolve with purpose.

Learn. Grow. Glow. Together.

At Ebbets Field Middle School, we are committed to taking a holistic approach to serving our students by nurturing both their academic growth and overall well-being. We create a school environment where students can thrive socially, emotionally, and academically. Throughout the year, we plan fun, purposeful events that celebrate our scholars' achievements, recognize their growth, and build a strong sense of community within our school.

We create opportunities for connection, expression, and support. Whether through celebrations, student-led initiatives, or community-building activities, we make sure our scholars feel seen, valued, and empowered. At Ebbets Field, we intentionally invest in experiences that expose our students to new opportunities, broaden their perspectives, and inspire them to dream bigger. By providing these meaningful moments, we help shape confident, well-rounded individuals who are prepared for success both inside and outside the classroom.

Student Government Feature

New York Aquarium 2026

At EFMS, we truly value student voice. When our Student Government requested a school-wide trip to shake off those state testing jitters, we made it happen. Our scholars had a **FIN-TASTIC** time at the New York Aquarium—learning, exploring, and making unforgettable memories!

At EFMS, we have intentionally created spaces to elevate and include our students' voices. From Climate & Culture meetings and Cabinet meetings to even personal conversations with our principal, our scholars are given meaningful opportunities to share their thoughts, ideas, and experiences.

We understand that our scholars play a major role in the success of our school community. By listening to and empowering their voices, we are building a stronger, more inclusive environment where every student feels heard, valued, and inspired to lead.

"WE DON'T COME TO SCHOOL BECAUSE WE WANT TO, WE COME BECAUSE WE HAVE TO. AT LEAST IT'S LIT THO"!

– SKYLAH FRANKLIN & SKYLAR HOLMES

AT EFMS, WE ARE MORE THAN A SCHOOL—WE ARE A COMMUNITY.
