

CLIK-TITE CONNECTORS ARE BEING RETIRED

Our **Clik-Tite connectors**, originally designed more than 35 years ago, are being transitioned to a new connector platform as part of ongoing product lifecycle updates.

The new connectors are fully 1:1 compatible, ensuring continuity of use and a seamless experience for clinical teams.

DISCONTINUATION EFFECTIVE MARCH 31, 2026

The following Clik-Tite products will be discontinued:

RAPR-Round Kits & Wearables

- 8001-061-550 – Kit S/M
- 8001-061-560 – Kit L
- 8001-061-530 – Vest S/M
- 8001-061-535 – Vest L
- 8001-061-540 – Leg Wraps

Blankets

- 8001-061-810 – Adult Non-woven
- 8001-061-812 – Pediatric Non-woven

Hoses

- 8001-064-035 – Single Hose

Orders will be accepted while inventory lasts.

CONNECTOR REPLACEMENTS

Replacement **Colder connectors** integrate seamlessly with existing systems and accessories, supporting a smooth transition without workflow disruption.

Instead of the **Clik-Tite** references above, please order the equivalent **Colder** part numbers. **The only change for your facility is the reference number.**
