Biography

Jerome is widely acknowledged as a highly skilled general commercial litigation specialist whose main areas of expertise lie in civil and commercial litigation and criminal law. Aside from assisting clients with his extensive experience, Jerome also shares his in-depth knowledge in articles and podcasts on established forums and in response to applicable and significant situations.

Jerome consults to and partners with, corporations as well as high net worth individuals, to provide a solution for their legal requirements. He assists clients with arbitrations, commercial litigation, fraud and business crimes, and liquidations. He also sits as a Commissioner of the Small Claims Court.

Jerome obtained his B.A. degree at the University of the Witwatersrand and his LL.B. degree at the University of South Africa.
