Biography

Lionel is a highly experienced litigator whose extensive expertise and skills extend to all aspects of general civil and commercial litigation. A vital member of the firm's insolvency and business rescue, and litigation departments, Lionel's main areas of expertise lie in insolvency, liquidations, business rescue, contractual disputes and enforcement, lease disputes, perfection and realisation of securities, restraints of trade, Anton Piller orders, debt recovery and arbitrations, mediations and alternative dispute resolution relating to disputes of a commercial nature.

Offering sound advice on insolvency, liquidations and business rescue, perfection and realisation of securities, restraints of trade, leases and disputes of a commercial nature, enable his clients to reap the benefit of his extensive knowledge, experience and skills in these areas. Lionel obtained his B.Sc. and LL.B. degrees at the University of the Witwatersrand.
