Biography

Sunel is an Associate in the firm's Tax Department. She assists national and international clients, including corporate entities, trusts, and individuals across a broad range of tax matters. Sunel focuses on tax advice, tax planning, exchange control, and tax dispute resolution. In addition, Sunel is involved in commercial matters and commercial litigation.

Sunel obtained her LLB degree, with distinction, from the North-West University, Potchefstroom Campus. During her academic career, she was a member of the Golden Key International Honour Society and was awarded the PH Group Honour Medal in recognition of her academic merit.

Sunel joined the firm in 2024 and practises in both the advisory and litigation spheres of tax law, assisting clients with complex and technical tax issues in a precise, practical, and solutions-driven manner.
