

Established in Aberdeen, South Dakota in 1999, Mavericks Steaks & Cocktails has become synonymous with "THE BEST".

Since the opening day of that first restaurant, thousands and thousands of guests have beaten the doors down to enjoy fantastic meals and superb service. How did we get so popular? The recipe is simple. Provide a clean, casual environment with great service and excellent food and you will have the best restaurant in town... and many will agree!

With that winning recipe and proven track record, Mavericks Steaks & Cocktails opened a second location... in historic downtown Deadwood in the summer of 2014. Located on the second floor of the beautiful new Gold Dust Casino, we have quickly proven that our recipe for success works, no matter where we are. Not only have we established ourselves as the perfect place for a great meal and service to match, but also as a favorite place for our guests to meet up with and linger long after their meal, enjoying the casual atmosphere along with their favorite or cocktail and the company of their friends and family.

We look forward to serving you during your event.

The Hotel by Gold Dust

The Hotel by Gold Dust, the Best hotel in South Dakota, offers contemporary, stylish Deadwood Hotel rooms that offer the attention to detail you would expect from a boutique hotel. Each of the 42 rooms are as unique as the building housing it. This is not your typical cookie-cutter hotel.

While each room varies in furniture composition, all the rooms feature free wifi, 40" LED TV's, Keurig coffee makers, microwaves, mini-fridge, and unique artwork. The granite and marble finished bathrooms include rainfall shower heads and well lit vanities.

The location at 25 Lee Street is just steps off of Main Street in the heart of Deadwood and within walking distance of our own newly renovated Gold Dust Casino and Mavericks Steaks & Cocktails. There are also several casinos, bars, restaurants, and boutique stores nearby to round-out your stay in our beautiful town.
