

# P630 Plus

Verifone's powerful PIN pad solution enhances customer engagement and loyalty with secure, seamless transactions.

Engage customers across the purchase journey, from promotions on the full-color display to loyalty with the integrated barcode scanner to fast, secure payment acceptance. The P630 Plus easily integrates into your POS for a compact, powerful checkout experience.

## Key Features

### Customer experience

- Promote sales, loyalty programs, and more on the **3.5" color touchscreen with audio and video support**
- Scan loyalty and validate APMs with the **integrated barcode camera**
- Accept **swipe, chip, and contactless payments** for seamless transactions

### Power and performance

- **Qualcomm Snapdragon processors and increased memory** boost app performance on VAOS, **based on Android 13**
- **Connect to Verifone's cloud-based services** to enable omnichannel capabilities
- **Cable and stand solutions** for easy POS integration

### Secure the sale

- Keep transactions safe with a **PCI 6.x certification**.
- Verifone sets the standard for accessibility with the **award-winning Navigator app**.
