

# Victa Lane

Transform the checkout experience with seamless, secure in-lane payments – all through a bold, intuitive interface.

Verifone Victa Lane empowers retailers to deliver fast, frictionless service at the point of sale. With a large touchscreen, biometric-ready hardware, and advanced payment capabilities, it's built to engage customers and streamline every transaction.

## Key Features

### Customer experience

- Boost customer engagement on **Large 8" HD touchscreen** for immersive interaction
- **Biometric-ready** hardware for face and palm authentication
- **NFC-enabled digital receipts** for fast, paperless checkout

### Power and performance

- **Qualcomm SM6225 Octa-Core processor** for fast, responsive apps
- **4GB RAM + 32GB Flash memory** for smooth multitasking
- **Integrated barcode scanner** for loyalty and coupon redemption

### Built for the future

- Keep transactions safe with a device **engineered to support PCI 6 and PCI 7**.
- Run powerful apps with **Android 13** and **be ready for Android 14**.
- Verifone sets the standard for accessibility with **the award-winning Navigator app**.

PERFORMANCE			
<b>Processor</b>	Qualcomm SM6225 Octa-Core A73 @2.4GHz	<b>Power</b>	12V, 18W via charging adaptor
<b>Memory</b>	4GB RAM + 32GB Flash	<b>OS</b>	Verifone Secure OS <ul style="list-style-type: none"> <li>• VAOS based on Android 13</li> </ul>
