INDEPENDENT AUDITOR'S REPORT

To the Board of Directors of Scarborough Health Network Foundation

Opinion

We have audited the financial statements of Scarborough Health Network Foundation (the Foundation), which comprise:

- the statement of financial position as at March 31, 2024
- the statement of revenue and expenses for the year then ended
- the statement of changes in fund balances for the year then ended
- the statement of cash flows for the year then ended
- and notes to the financial statements, including a summary of significant accounting policies (Hereinafter referred to as the "financial statements").

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Foundation as at March 31, 2024, and its results of operations and its cash flows for the year then ended in accordance with Canadian accounting standards for not-for-profit organizations.

Basis for Opinion

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the "Auditor's Responsibilities for the Audit of the Financial Statements" section of our auditor's report.

We are independent of the Foundation in accordance with the ethical requirements that are relevant to our audit of the financial statements in Canada and we have fulfilled our other ethical responsibilities in accordance with these requirements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Page 2

Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with Canadian accounting standards for not-for-profit organizations, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Foundation's ability to continue as a going concern, disclosing as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Foundation or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Foundation's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion.

Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists.

Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the financial statements.

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit.

We also:

• Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion.

The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

Page 3

- Obtain an understanding of internal control relevant to the audit in order to design audit
 procedures that are appropriate in the circumstances, but not for the purpose of expressing an
 opinion on the effectiveness of the Foundation's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Foundation's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Foundation to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Notes to Financial Statements

Year ended March 31, 2024

Scarborough Health Network Foundation (the "Foundation") was incorporated under the Corporations Act of Ontario on December 21, 1977.

While the Foundation is a separate legal entity from Scarborough Health Network (the "Hospital"), the Foundation fundraises additional financial resources for the Hospital and enhances the profile of the Hospital in the community. These objectives are accomplished through a number of fundraising initiatives planned, implemented, and managed by the Foundation.

The Foundation is a public foundation registered under the Income Tax Act (the "Act") and, as such, is not subject to income taxes and is able to issue donation receipts for income tax purposes. In order to maintain its status as a public foundation registered under the Act, the Foundation must meet certain requirements within the Act. In the opinion of management, these requirements have been met.

1. Significant accounting policies:

The financial statements have been prepared by management in accordance with Canadian accounting standards for not-for-profit organizations in Part III of the Chartered Professional Accountants of Canada Handbook. The significant accounting policies are summarized below:

(a) Fund accounting:

The Foundation follows the restricted fund method of accounting for contributions. The Foundation ensures, as part of its fiduciary responsibilities, that all funds received with a restricted purpose are expended for the purpose for which they were provided.

The financial statements have been prepared using fund accounting and they separately disclose the activities of the following funds maintained by the Foundation:

- General Fund reflecting the activities associated with the Foundation's day-to-day operations. The General Fund reports unrestricted resources available for immediate purposes.
- Restricted Fund includes those funds where resources are to be used for identified purposes as specified by the donor, as stipulated by the fundraising appeal, or as determined by the Board of Directors.
- Endowment Fund includes those funds where resources are to be maintained permanently as specified by the donors.

Notes to Financial Statements (continued)

Year ended March 31, 2024

1. Significant accounting policies (continued):

(b) Revenue recognition:

Income from donations is recorded when received. Donor restricted contributions are recognized as revenue of the Restricted Fund. Unrestricted contributions are recognized as revenue of the General Fund. Funds received in advance relating to future Foundation events are accounted for as deferred revenue until the period in which the related events take place.

Unrestricted investment income earned on Restricted Fund and General Fund resources is recognized as revenue of the General Fund. Restricted investment income earned on Endowment Fund resources is recognized as revenue of the Endowment Fund.

Unrealized gains and losses incurred on the investments are recognized in the statement of revenue and expenses as part of investment income.

Other contributions, including gifts in kind, contributions, and bequests are recognized as revenue when received. Charitable trust remainders are recognized as revenue when the amount to be received can be reasonably estimated, and collection is ultimately assured.

(c) Contributed services:

Volunteers contribute a significant amount of their time each year. The fair value of these contributed services is not readily determinable and as such is not reflected in these financial statements. Contributed materials are also not recognized in these financial statements.

(d) Cash and cash equivalents:

Cash and cash equivalents consist of cash deposits and short-term investments with an original term to maturity of less than 90 days. Cash and investments meeting the definition of cash and cash equivalents that are held for investing rather than liquidity purposes are classified as investments.

Notes to Financial Statements (continued)

Year ended March 31, 2024

1. Significant accounting policies (continued):

(e) Financial instruments:

Financial instruments are recorded at fair value on initial recognition and are subsequently recorded at cost or amortized cost, unless management has elected to carry the instruments at fair value. Management has elected to carry its investments at fair value.

Transaction costs incurred on the acquisition of financial instruments measured subsequently at fair value are expensed as incurred. All other financial instruments are adjusted by transaction costs incurred on acquisition and financing costs, which are amortized using the straight-line method.

Financial assets are assessed for impairment on an annual basis at the end of the fiscal year if there are indicators of impairment. If there is an indicator of impairment, the Foundation determines if there is a significant adverse change in the expected amount or timing of future cash flows from the financial asset. If there is a significant adverse change in the expected cash flows, the carrying value of the financial asset is reduced to the highest of the present value of the expected cash flows, the amount that could be realized from selling the financial asset or the amount the Foundation expects to realize by exercising its right to any collateral. If events and circumstances reverse in a future year, an impairment loss will be reversed to the extent of the improvement, not exceeding the initial carrying value.

Investments in equity instruments that are quoted in an active market are recorded at fair value. The Foundation has elected to carry investments in corporate bonds, government bonds and treasury bills at fair value. Pooled fund investments are valued at the unit values supplied by the fund administration and represent the portfolio's proportionate share of underlying net assets at fair values determined using closing market prices. Changes in fair value are recorded in the statement of revenue and expenses.

Notes to Financial Statements (continued)

Year ended March 31, 2024

1. Significant accounting policies (continued):

(f) Capital assets:

Capital assets are recorded at cost less accumulated amortization. Amortization is provided on a straight-line basis over the estimated useful life of the related capital asset. The amortization periods are as follows:

Furniture and fixtures Leasehold improvements	5 years 5 years
Donor recognition wall Computer software and hardware	5 years 2 years
Computer software and nardware	∠ years

Repairs and maintenance costs are charged to expense. Betterments which extend the estimated life of an asset are capitalized. When a capital asset no longer contributes to the Foundation's ability to provide services, its carrying amount is written down to its residual value.

(g) Use of estimates:

The preparation of financial statements requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the year. Actual results could differ from those estimates.

Notes to Financial Statements (continued)

Year ended March 31, 2024

2. Investments:

The cost and fair value of the Foundation's investments at March 31 are as follows:

	2024						2023		
	Cost	Cost		Fair value					
-	0031		value		0031		value		
Cash and equivalents Fixed income Equity Alternatives	\$ 73,403 39,736,773 3,403,232 969,996	\$	73,458 39,840,528 3,868,862 978,353	\$	37,561 39,581,724 3,343,547 913,524	\$	37,693 39,631,479 3,341,317 919,300		
	\$ 44,183,404	\$	44,761,201	\$	43,876,356	\$	43,929,789		

Net investment income, consists of the following:

	2024	2023
Dividends, interest and realized gains Unrealized gain (loss) on investments Change in value of charitable remainder trust Management fees	\$ 2,933,179 524,439 101,424 (61,105)	\$ 1,905,087 (376,902) (136,167) (38,635)
	\$ 3,497,937	\$ 1,353,383

3. Charitable remainder trust receivable:

During the years ended March 31, 2013 and March 31, 2017, the Foundation entered into trust agreements which the Foundation has classified as a charitable remainder trust receivable. Capital of \$1,000,000 and \$200,000, respectively, were transferred into the trusts with accrued interest to be paid to the grantors and the residual capital to be paid to the Foundation upon the death of the grantors. The receivable has been measured based on fair value.

Notes to Financial Statements (continued)

Year ended March 31, 2024

4. Capital assets:

					2024		2023
		Accu	mulated	N	let book	١	let book
	Cost	amo	rtization		value		value
Furniture and fixtures Leasehold improvements	\$ 10,612 8,315	\$	7,112 6,929	\$	3,500 1,386	\$	3,500 3,049
Donor recognition wall Computer software and	312,454		297,821		14,633		35,878
hardware	59,776		59,776		_		6,573
	\$ 391,157	\$	371,638	\$	19,519	\$	49,000

5. Pension:

Substantially all employees are eligible to be members of the Healthcare of Ontario Pension Plan which is a multi-employer defined benefit pension plan. Plan members will receive benefits based on the length of service and on the average of annualized earnings during the five consecutive years prior to retirement, termination, or death that provide the highest earnings.

The most recent actuarial valuation of the plan as at December 31, 2023 indicates the plan is 115% (2022 - 117%) funded. During the year, the Foundation contributed \$332,879 (2023 - \$283,228) to the plan on behalf of employees.

6. Related party transactions:

The Foundation and the Hospital are separate legal entities. The Foundation provides grants to the Hospital to meet its goals and objectives (note 7).

The Hospital pays certain expenses on behalf of the Foundation and is reimbursed by the Foundation. The amount due to the Hospital is due on demand and is non-interest bearing.

Notes to Financial Statements (continued)

Year ended March 31, 2024

7. Grants:

The following grant disbursements were made to:

	2024	2023
Hospital Other organizations	\$ 16,032,060 —	\$ 11,106,146 45,350
	\$ 16,032,060	\$ 11,151,496

Disbursements to the Hospital provide support for capital projects, equipment, and special programs and services.

Grants to other organizations were made to registered Canadian charities in consultation with the Hospital.

8. Interfund transfers:

Transfers between the Restricted Fund and the General Fund may be made pursuant to the Foundation's Policy on Interfund Transfers, as approved by the Board of Directors. During the year, \$3,290,808 was transferred from the Restricted Fund to the General Fund and \$75 was transferred from the Endowment Fund to the General Fund. During the year ended March 31, 2023, \$1,923,904 was transferred from the Restricted Fund to the General Fund and \$75 was transferred from the Endowment Fund to the General Fund.

9. Letters of credit:

The Foundation issues letters of credit with respect to charitable gaming activities. As of March 31, 2024, there are available letters of credit of \$24,000 (2023 - \$24,000) and no amounts have been applied against these letters of credit as of March 31, 2024 and 2023.

Notes to Financial Statements (continued)

Year ended March 31, 2024

10. Guarantees:

In the normal course of business, the Foundation enters into agreements that meet the definition of a guarantee. The Foundation's primary guarantees are as follows:

The Foundation has provided indemnities under lease agreements for the use of various operating facilities. Under the terms of these agreements, the Foundation agrees to indemnify the counterparties for various items including, but not limited to, all liabilities, loss, suits, and damages arising during, on or after the term of the agreement.

Indemnity has been provided to all directors and officers of the Foundation for various items including, but not limited to, all costs to settle suits or actions due to association with the Foundation, subject to certain restrictions. The Foundation carries directors' and officers' liability insurance to mitigate the cost of any potential future suits or actions. The term of the indemnification is not explicitly defined, but is limited to the period over which the indemnification party served as a director or officer of the Foundation.

In the normal course of business, the Foundation has entered into agreements that include indemnities in favour of third parties, such as purchase and sale agreements, confidentiality agreements, engagement letters with advisors and consultants, outsourcing agreements, leasing contracts, information technology agreements and service agreements. These indemnification agreements may require the Foundation to compensate counterparties for losses incurred by the counterparties as a result of breaches in representation and regulations or a result of litigation claims or statutory sanctions that may be suffered by the counterparty as a consequence of the transaction.

The nature of these indemnification agreements prevents the Foundation from making a reasonable estimate of the maximum exposure due to the difficulties in assessing the amount of liability, which stems from the unpredictability of future events and the unlimited coverage offered to counterparties. Historically, the Foundation has not made any payments under such or similar indemnification agreements and, therefore, no amount has been accrued in the statement of financial position with respect to these agreements.

Notes to Financial Statements (continued)

11. Financial instruments and risk management:

(a) Market risk:

The value of equity securities changes with stock market conditions, which are affected by general economic and market conditions. The value of fixed income securities will vary with developments within the specific companies or governments which issue the securities.

The Foundation endeavors to mitigate this risk by adopting an investment policy which provides appropriate portfolio diversification.

(b) Interest rate risk:

Interest rate risk arises from the possibility that changes in interest rates will affect the value of fixed income securities held by the Foundation. The interest bearing investments held by the Foundation have a limited exposure to interest rate risk due to their short-term maturity. The fixed income investments held in the Foundation's portfolio have fixed interest and are subject to interest rate risk.
