## FULL FACE RESPIRATOR MASK features

The NJORD full face respirator mask is designed for use in Class 3 hazardous environment. The facepiece is made of natural rubber and features a panoramic polycarbonate visor that is resistant to impacts and scratches. The large, single-piece visor provides the user with an extensive field of vision.

With NJORD you can  
always expect:

- > Protective equipment for maximum safety
- > Premium quality and consistency in products
- > Global availability and standardization

### EXPECT MORE

In Norse mythology, Njord was the patron of seafarers and the god of wind and waters. These characteristics have been transferred to our NJORD product line providing expert care to seafarers when they sail the seven seas.
