### Complying with customer needs

In Greek mythology, Pontus was considered a personification of the sea itself. This illustrates very well the thoughts behind Wrist's Pontus product line – being the global market leader in ship supply, we know our customers and their needs.

# PLIER AND SIDE CUTTER

The Pontus plier and side cutter tool is a combination of a gripping plier and side cutter.

This tool has insulated handles for improved grip and extra security.

- > Long nose and rubberized handles
- > Serrated teeth

The jaws and cutter are made from hardened steel for extra durability. Jaws have serrated teeth for better grip and control.

- > HRC40-48 hardened steel
- > Steel type 55#
